

## Grain Bag Perimeter Area Coverage when applying penergetic b WV

Approximate area: 5.25 acres

**GRAIN BAG**

Recommended Application rate: 8.4 oz./acre

180 feet

A diagram showing a large circular area defined by a dashed white line on a brown corrugated metal background. In the center of the circle is a horizontal white rounded rectangle labeled "GRAIN BAG". A vertical white double-headed arrow extends from the top edge of the "GRAIN BAG" to the bottom edge of the dashed circle, with the text "180 feet" centered next to it. Text labels are placed within the circle: "Approximate area: 5.25 acres" is centered above the "GRAIN BAG", "Recommended Application rate: 8.4 oz./acre" is centered below the "GRAIN BAG", and "180 feet" is centered next to the arrow.
